

Lightwave

Lightwave Summer School Bosnia-Herzegovina 2023

Time to step up..... “HEAL THYSELF”

You are far more capable to heal your self as you have been told. You’ve learned the adagium: if you want to become healthy you need to take medicines, you have to depend upon doctors, psychiatrist and many others. But what if you carry within you everything you need to heal yourself? What if the cosmos provided the earth, through infinite wisdom, with devices, constructions and buildings to support our wellbeing and health?

Lightwave Summer School helps you find your health and wellbeing.

In times like these it is so important to find ways to heal our selves. Many forces around us wants us to believe we need their products like shots etcetera, to stay healthy. By now we know it is a lie and we need to know how to prevent sickness. But how are we going to do that? During the Summer school you will learn how. You will experience the healing powers of the tunnels in the valley of Visoko, you will feel the energies of the pyramids, you will experience the love-vibrations in the park. You will learn a wonderful healing modality. This healing modality is helping you to prevent yourself from sickness or heal yourself from any disease. The pineal gland is the driving force of this system. Through the pineal gland you will feel and experience the strength of this magnificent organ. The pineal gland is the antenna to the cosmos, among other functionalities as you will learn. Also you will discover that everything you need is already within you. All you need to do is to dive in that wonderful part of yours and we will help you with that during this 5-day event.

A Life changing experience!

After Lightwave Summer School you will have:

- gained insight and knowledge about multidimensionality
- proper understanding how to work with the multidimensionality
- found tools to heal your self in a very easy way
- alignment with the new energies of the 5th dimension
- experienced very special energies at power spots and you will take these energies back home
- received more knowledge and insights into the history of the planet and humankind
- learned to be empowered and live from your empowerment
- gained more wisdom related to the pineal gland and what the effects will be when it is activated

Your life will have changed in a very pleasant and enriching way. You've learned how to help your self in many situations and circumstances. All this will take place in an extraordinary environment.

At a very special healing location in Bosnia

There is a very special place in the former Yugoslavian country Bosnia-Herzegovina. (Europe) This place is called Visoko, half an hour's drive from the capital Sarajevo. What makes this place so special?

The biggest pyramid of the world

There are pyramids. Not just small and insignificant pyramids. No, these pyramids are big. The pyramid of the Sun is the biggest in the world. They have been discovered by Dr. Sam Osmanagich. He created the biggest archeological site in the world supported by volunteers, who excavate the different sites. It is such an open project, people from all over the planet travel during Spring and Summer to participate.

Magic & healing

The different places and sites are magical. The tunnel system into the direction of the pyramid of the sun is very healing due to the high value of Bovis frequencies. Many people with diseases come on a regular basis to be in the healing vibrations of the tunnels. And they do heal!

Energetic scenery with power places and vortexes

There is more. Dr. Sam Osmanagich created a fabulous park across the entrance of the tunnels. This park is accessible for everyone who likes to have a beautiful walk in a very energetic scenery. The park is filled with power places and vortexes and you can walk there for hours.

Interested?

Wouldn't you be interested in visiting Visoko, feeling and experiencing these spots, having a fabulous time, and learn something new you can use in your day to day life back home? Come to the Lightwave Summer school and join us for a week. Being in the presence of the pyramids and their energies, being with wonderful people and learn a healing technique must be a very attractive way to spend your vacation.

Be aware, there will be a lot of dance and laughter.

All classes are English spoken.

Optional

Individual pineal gland activation* by appointment.

*An activated pineal gland is of enormous assistance to come and stay in touch with your Higher Self. It is very helpful tool in your day to day life, it gives you guidance, direction and insights. It provides you with an ongoing connection with the universe. An activated pineal gland helps you to develop telepathic powers, a clear connection with other humans and a powerful connection with your own inner strength and intuition. Growth and awareness are to be expected. The pineal gland is also the access point to the 5th dimension.

All the pineal gland activations will be given by Dominicus Hettinga. You can schedule an activation with him. Send him an email before arrival already and schedule your activation or ask him on the spot. info@lightwave.nl

Through the ages it has been known that the Pineal gland is the interface between the higher dimensions and the physical realm. It can be said then to be the gateway between the ego personality, brain and the Divine Mind. It has been termed by metaphysicians such as Descartes and Edgar Cayce as being the 'Seat of the Soul'. The pineal is the agent of advancing knowledge into reality manifestation. The pineal works with the pituitary in opening the bridge, the gateway between the physical and nonphysical, between brain and mind. Whatever knowledge you allow yourself to believe can only become a reality by the pineal, first opening the gate to the Divine. It does this by interpreting the frequency of thought into a thermal bio chemical electrical current throughout your body and opening to mind. Your human brain transforms the thoughts you generate into thousands of bio-chemicals every second.

Travelling suggestions

Please note that the cost of traveling to the Summer School location in Visoko, Bosnia is not included, The travel is at your own leisure and expense.

You can take a flight to Sarajevo international airport (SJJ), in Sarajevo, Bosnia. You can go by car, Eurolines bus or camper.

It is about 45 minutes by bus from the airport to Visoko. Taxis are also available and reasonably priced, especially if you share a taxi.
